UNICEF Executive Board Second Regular Session 2020
8–11 September 2020
Zoom virtual meeting

INFORMATION FOR PARTICIPANTS
(1 September 2020)

The 2020 second regular session of the UNICEF Executive Board will take place from 8 to 11 September 2020. The meetings will be conducted using the Zoom videoconferencing platform.

UNICEF seeks to promote diversity, inclusion and gender equality in all its engagements. The Office of the Secretary of the Executive Board (OSEB) strongly encourages women’s participation and leadership in Executive Board meetings and discussions in order to promote gender balance in intergovernmental decision-making forums and processes.

UNICEF reiterates its commitment to zero tolerance for all forms of harassment, including sexual harassment, and kindly reminds participants that the Executive Board sessions follow the Code of Conduct to prevent harassment, including sexual harassment, at UN System events.

Credentials

Member States, as well as observers and representatives of organizations attending the session, are requested to share the details of their participation by completing the online “Credentials Accreditation Form” as soon as possible.

Registration

Participants who have submitted their credentials to the secretariat are required to register for the session in Zoom. Executive Board members, observers and representatives of other organizations attending the session are encouraged to limit the number of active participants from their delegation attending the Zoom meetings, since Zoom has an active-participant limit.

For security reasons, the registration link to join the Zoom meetings for the plenary meetings as well as the informal consultations on the draft decisions will be provided only to Board members and those observers who have shared their credentials.

After the registration, each active participant will receive a unique link to join the session. (See the participant’s guide in the annexed document.)

To facilitate viewing by non-active participants, the session will be available via a live steam and on UN WebTV.

Documentation and statements

Advance copies of all documentation for the session are available on the UNICEF Executive Board website. All documentation, presentations and statements will be available on the UNICEF Executive Board PaperSmart portal. The UNICEF Executive Board website will provide a link to the PaperSmart portal.
Interventions

List of speakers: In accordance with rule 50 (2) of the UNICEF Executive Board’s rules of procedure and its annex, observer delegations are requested to communicate in writing their special interest in the items of the provisional agenda on which they intend to intervene.

Delegations are encouraged to send in such requests by close of business on Thursday, 3 September 2020, to Ms. Hikari Arai at harai@unicef.org, with a clear indication in the subject line of the date of the meeting, and the title and number of the agenda item.

Requests received by Thursday, 3 September will be included in the indicative list of speakers, which will be posted online at noon on Friday, 4 September on the PaperSmart portal. Requests received after the deadline will be considered as requests to speak from the floor.

PaperSmart: Delegations planning to present statements at the session are kindly requested to submit electronic versions to Mr. Dillon Leano at dleano@unicef.org. The title of the intended agenda item should be indicated in the heading of the statement and in the subject line of the email. These statements will remain embargoed until delivery and will then be posted on the PaperSmart portal.

The time limit set for statements during the general discussion is three (3) minutes for individual delegations speaking in their national capacity and five (5) minutes when speaking on behalf of United Nations regional groups and for joint statements of more than two Member States. Full versions of statements will be made available on the PaperSmart portal.

An announcement in the Journal of the United Nations was published four weeks in advance of the session and will be published daily during the session, and provide links to the information note.

Delegations presenting statements during the general discussion and on specific agenda items will be called upon by the President in the following order of priority:

(a) Members of the Bureau of the UNICEF Executive Board who wish to take the floor (organized by rank);
(b) Representatives of United Nations regional groups speaking on behalf of their groups (organized by rank);
(c) Permanent Missions of the United Nations that have sent requests in advance to the UNICEF secretariat to take the floor (with priority given to members of the Executive Board, followed by observers);
(d) Requests received from the floor through Zoom (using the “raise-hand” function, on a first-come, first-served basis).

To ensure that the Executive Board session is accessible, speakers should introduce themselves and read out and/or verbally describe visual materials in slides, charts and graphs being presented. This is especially crucial in the context of a virtual session.
**Persons with disabilities**

If the primary participant is a person with disabilities and needs assistance from OSEB to find reasonable accommodation, kindly include the details in the online “Credentials Accreditation Form” so that we can seek to best address your needs.

**Live viewing and records of the session**

The session will be live streamed, with a link available on the homepage of the Executive Board [website](#). The session will also be broadcast live on [UN WebTV](#), with the footage remaining available on their website for later viewing.

The formal written report of the session will be prepared by the secretariat and shared with the Executive Board for comment three weeks after the end of the session. The final report will be made available on the Executive Board website and the Official Document System of the United Nations.
